Human resources management

Views of the staff representatives of the United Nations Secretariat

Note by the Secretary-General

1. The Secretary-General transmits herewith, for consideration by the Fifth Committee, a document submitted pursuant to the provision set out in paragraph 2 (a) of General Assembly resolution 35/213, in which the Assembly reiterated its readiness to receive and consider fully the views of the staff as set out by a single recognized representative of the staff of the United Nations Secretariat in a document submitted through the Secretary-General under the agenda item on human resources management. The staff representative bodies have been unable to agree on a single representative to represent their views. I am therefore transmitting the views of the staff representatives of the United Nations Secretariat, as received by the Executive Office of the Secretary-General for transmission to the Assembly, in the two addenda to the present note.

2. Addendum 1 contains the views of the Staff Council of the United Nations Office at Vienna; the Staff Council of the Economic Commission for Latin America and the Caribbean (Santiago); the Staff Union of the Economic Commission for Africa (Addis Ababa); the Field Staff Union (Brindisi); the Staff Union of the United Nations Office at Nairobi; the Staff Council of the Economic and Social Commission for Asia and the Pacific (Bangkok); the Staff Union of the International Tribunal for the Former Yugoslavia (The Hague); the Staff Council of the United Nations University (Tokyo); the Staff Association of the International Criminal Tribunal for Rwanda (Arusha); and the Kigali Staff Association of the International Criminal Tribunal for Rwanda (Kigali). Addendum 2 contains the views of the United Nations Staff Union at Headquarters (New York); the Field Staff Union (Brindisi); and the Staff Coordinating Council of the United Nations Office at Geneva.
